- MR-258 White Paper: Enabling Next Generation Transport and Services using Unified MPLS
- MR-229 White Paper: Leveraging Standards for Next Generation Wholesale Access

For a detailed overview of the work accomplished, check out the [Opening Plenary](#) and [Closing Plenary](#) for San Francisco.

This was a very busy meeting with [awards](#) given out to:

- Circle of Excellence Award - Dirk Van de Poel, Technicolor
- Distinguished Fellow Award - David Allan, Ericsson
- Leadership Award - Gavin Young, Cable and Wireless

Christophe Alter of France Telecom Orange has now taken the Technical Chairman reins. A debt of gratitude goes out to Gavin Young for his many years of service in this role. Congratulations and good luck to Christophe!

Finally a special thanks to our meeting sponsor Ericsson, our WLAN sponsor PMC-Sierra and our Keynote presenter, Brian David Johnson of Intel.
